## Ultimate Manufacturer

Model : -

Ultimate Manufacturer

The Perfect Website for the Manufacturer or Wholesaler!

Package Overview

This website package is totally customized to suit your company's look, feel and personality. We have combined the ultimate online product catalog with an enhanced e-commerce platform that will allow you to organize and easily display hundreds or even thousands of your products.

Multiple Pricing Levels

Assign individual pricing, taxes and shipping rules to separate customer groups

- Now your website can handle ALL of your customers in one location! You set retail pricing, wholesale pricing, distributor pricing, and even extra special pricing for key accounts if you like.
- Set specific shipping and payment options for each group

Highly Optimized For Search Engines

Our highly effective Ranking Techniques are applied to every product page!

- The search engines are used by customers on all levels
- If you ignore the search engines, your customers may ignore you!
- Every product page is created with appropriate meta-tags, image tags, and search-friendly url's

**Price : \$3,995.00**
