Website changes and maintenance

The easiest way to keep your website current and relevant is to have us make the changes for you! You can assure that it is done correctly and that all content is optimized for your visitors and the Search Engines.

How does the billing work?

We charge based upon on your current hourly rate. We bill by the minute though, so if your job takes 14 minutes then that is what you will be billed.

What is the advantage of online ordering?

- Automatic order confirmations
- Preferential treatment
- Cheaper rate by using coupons
- May view all jobs and their status through the "my account" feature

What can you have done?

- Just about any changes that you need
- Add, edit, delete information
- Add pics and images
- New articles
- New email accounts
- Intake forms
- etc, etc

How long does it take?

- Most jobs begin on the day ordered

How do you order a change to your website?

- Click "add to cart" button
- Click "checkout" button
- Sign In or Register
- Add your detailed request in the "Instructions and Comments" box
- Complete the checkout process

How do you pay for changes?

- You will receive a bill

How do you know the status of your request?

- Notifications will be sent every step
- Full access to all orders through "my account"
